What is an i-card?

i-card is a name card that bears a SMS ID which is used to collect information regarding the owner of the card through SMS.

What is SMS ID?

When you subscribe for an i-card, immediately we will open a SMS account in your given name, provide you the SMS ID, print it on your i-card and deliver the card to you. You can put your details (name, address, emergency contact number, blood group etc.) in your SMS account.

Anyone, who knows your SMS ID, can download your detail through SMS.

ensure your presence in the mobile world !!!

Why do you need one?

- This trendy and smart card can be used as an alternative of business card.
- If you change your mobile number, landphone number, address or anything, keep the information in your SMS account, you will never be lost!
- In any emergency, if needed, anyone can know about your blood group, emergency telephone number, address etc.
